Would this PMP course add value to my profession?

Yes, if your profession is related to Project manager, then this course will surely add value to your profession.

Can this PMP course be accessed from anywhere?

Yes, this course can be accessed from anywhere and at any time as it’s an online course, you just need to have a laptop or computer to do the course at your comfortable time.
This is a great course – accurate, dense without being boring, very informative and useful! I found it to be rather clear as well, despite the difficulty of some of the topics.

Well explained, thorough and always interesting! Will definitely keep exploring the topic, gradually building my knowledge and soon my career! Thank you EduCBA.

I have completed the online course on PMP training and found it useful & interesting. I’m happy with the courses and benefits provided by educba. I will look for other courses in educba website which are not only linked to project management activities. Thank you!
